

Reed and the
MAGIC WISH CELL PHONE!

One day, poppa came over to visit Reed.
He said; "come here, Reed... I have a secret to tell you".

One day while I was in the woods with Luna,
she came back with a very special little cell phone...

it's special because it's MAGIC!

When you push this
big button here,
it puts you into whatever
you are watching on TV.

But the REAL magic is that if make a wish that helps
someone and you push a different button...

your wish will come TRUE!

“Let me show you”, Poppa said.

He turned on the TV and Reed and Poppa started to watch the Peter Pan movie.

When they go to the part where Captain Hook takes Tinker Bell, Peter Pan looked worried.

Reed said; “I wish we could help save Tinkerbell!”

Poppa handed the magic remote to Reed and said; “go ahead... help save Tinkerbell!”

Reed pushed the big button.

ZZZAAAATTTTTT!

The next thing he knew, Reed was in the TV talking to Peter Pan!

“Don’t be worried, Peter,” Reed said.
“I think I know how I can get Tinkerbell back!”

Reed pushed the WISH button, a little song played, and he was now dressed like a pirate.

“I’m not a REAL pirate, Peter...
I’m just going to trick Captain Hook
so I can save Tinkerbell.”

"AHOY MATEY!"

Reed said to Captain Hook,
pretending to be another pirate.

I'm here to guard your prisoner, Tinkerbell,
so you can have time to chase Peter Pan!"

Captain Hook went into his cabin with Reed and held Tinkerbell's glass cage on his hook.

“Thar she is, me hardy!”

said Captain Hook as he handed
Tinkerbell over to Reed.

Reed left Captain Hook and found Peter and Wendy in the woods.

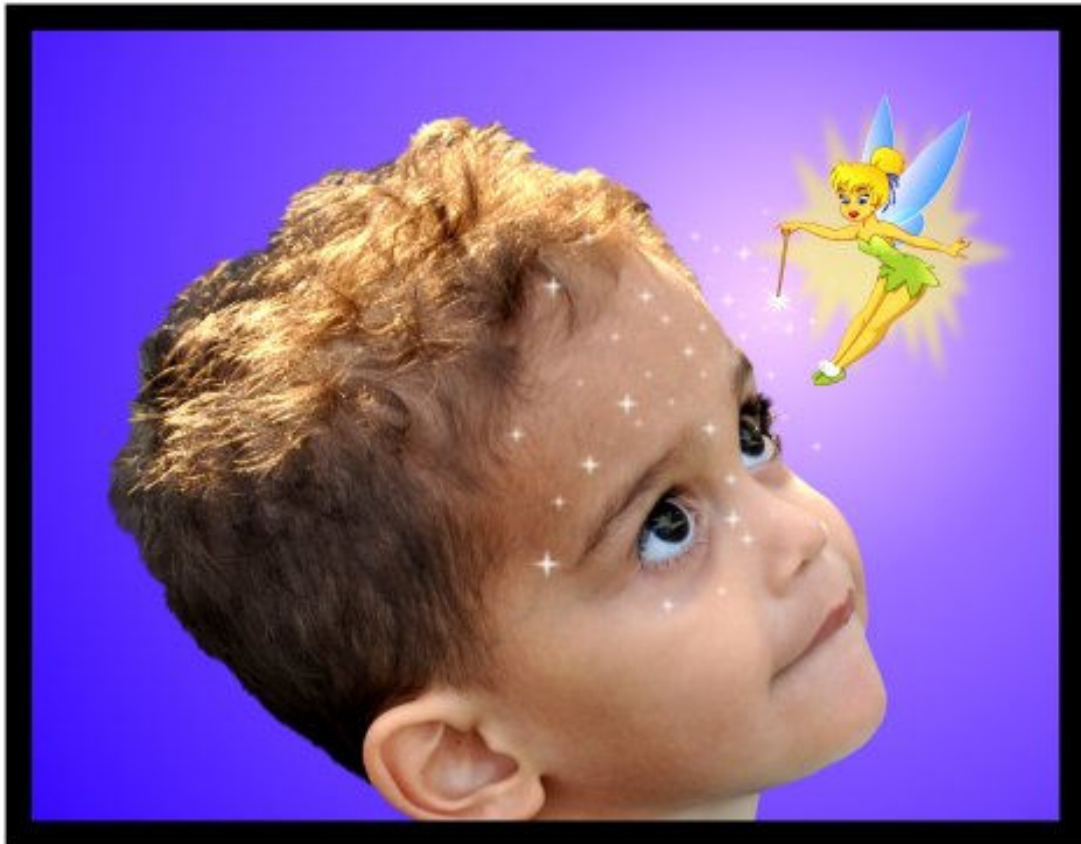

“Here’s Tinkerbell, safe and sound!”
“How can we ever thank you”, said Peter.

“I know,”
said Tinkerbell!

She flew right up in Reed's face and sprinkled magic pixie dust all over his head.

Now you can fly home all by yourself

And that's just what he did!

When Reed got home, he told Poppa all about how he saved Tinkerbell.

Poppa smiled and said; "I knew you could do it! I watched it all on TV."

After a while Poppa had to leave to walk Luna.

Before he left he said; "Would you like to play with the Magic Wish Cell Phone?"

After Poppa left, Reed watched
The Backyardigans on TV.

At the end of the show, there was a problem!

None of the Backyardigans had
any snacks to give to the others.

Uniqua looked right at Reed and said;
“if only you were an animal like us,
then you could invite us to your house for snacks!

Reed remembered that he once dressed
like a turkey for Halloween.

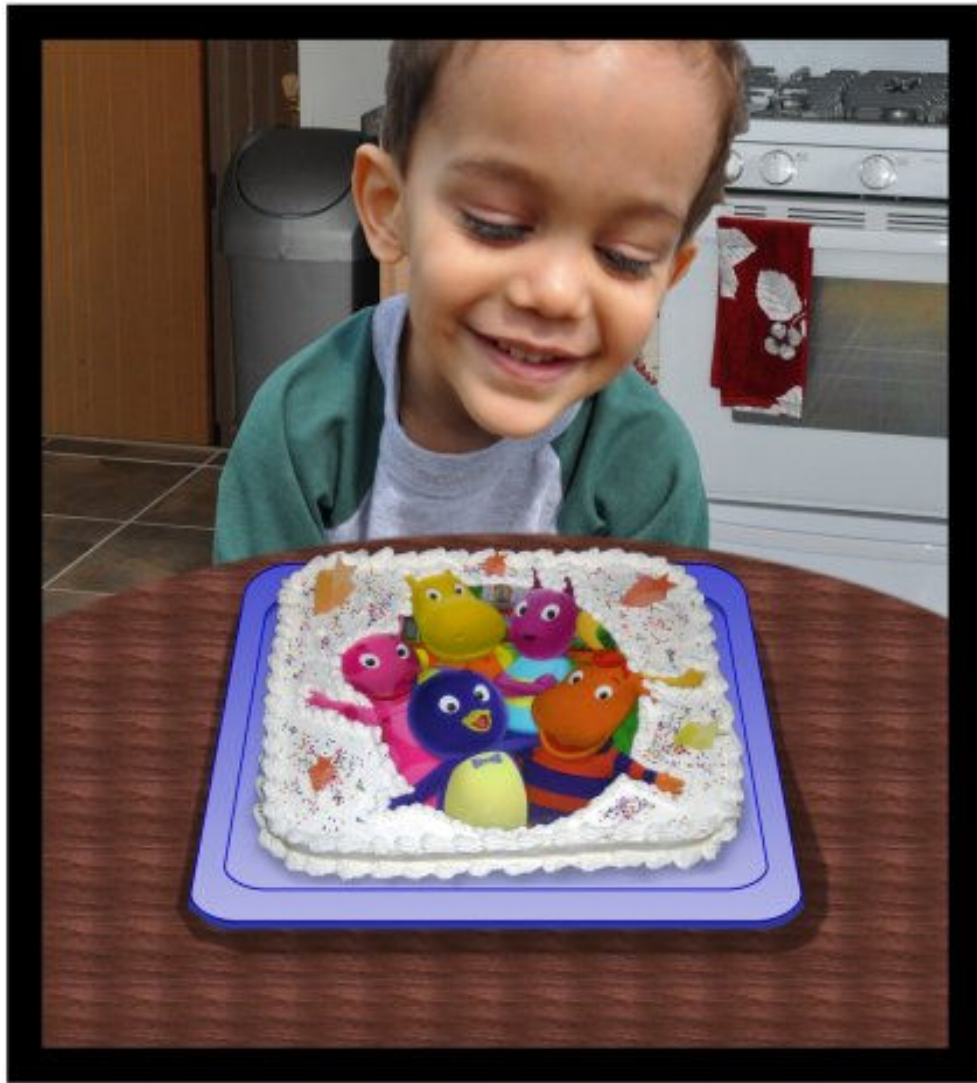

He found the costume
and pushed the big button.

ZZZAAAAATTTTTT!

The next thing he knew,
Reed was the newest Backyardigan... Turk!

Because Reed Helped Uniqua,
he could now make a wish to
make sure everyone got their snacks!

Reed pushed the WISH button and wished all the Backyardigans to his house.

They all enjoyed snacks before returning to their own houses on the TV.

Reed spent all day playing with Poppa's magic wish cell phone.

"I like helping people!... and I like when wishes come true!", Reed thought to himself.

He was watching a superhero show when suddenly Spiderman fell off of a building!

Reed quickly pressed the big button and...

ZZZAAAAATTTTTTT!

He was in the TV with Spiderman!

He pushed the WISH button and wished for web powers to help Spiderman.

With one hand he shot a web to the to the top of a building and with the other he saved Spiderman

Reed remembered how the puppet, Pinocchio wanted to be a real boy.

ZZZAAAAATTTTTT!

Reed closed his eyes real tight and wished for the Kiss of Life. He kissed Pinocchio on the cheek.

"I'm a real boy!", exclaimed Pinocchio.
"Thank you, Reed!"

"You're the Best!"

Reed had lots of fun playing with
Poppa's Magic Wish Cell Phone!

ZZZAAAAATTTTTT!

He was a monster with Mike, Sulley and Randall.

ZZZAAAATTTTTT!

He was swimming under the sea
with the Little Mermaid, Sebastian and Flounder!

ZZZAAAATTTTTT!

He was collecting Easter Eggs with Winnie the Pooh, Tigger, Piglet, Owl, Eeyore, Rabbit, Kanga and Roo!

Reed had so much fun with the Magic Wish Cell Phone.

He wanted to see Poppa to tell him all about his adventures.

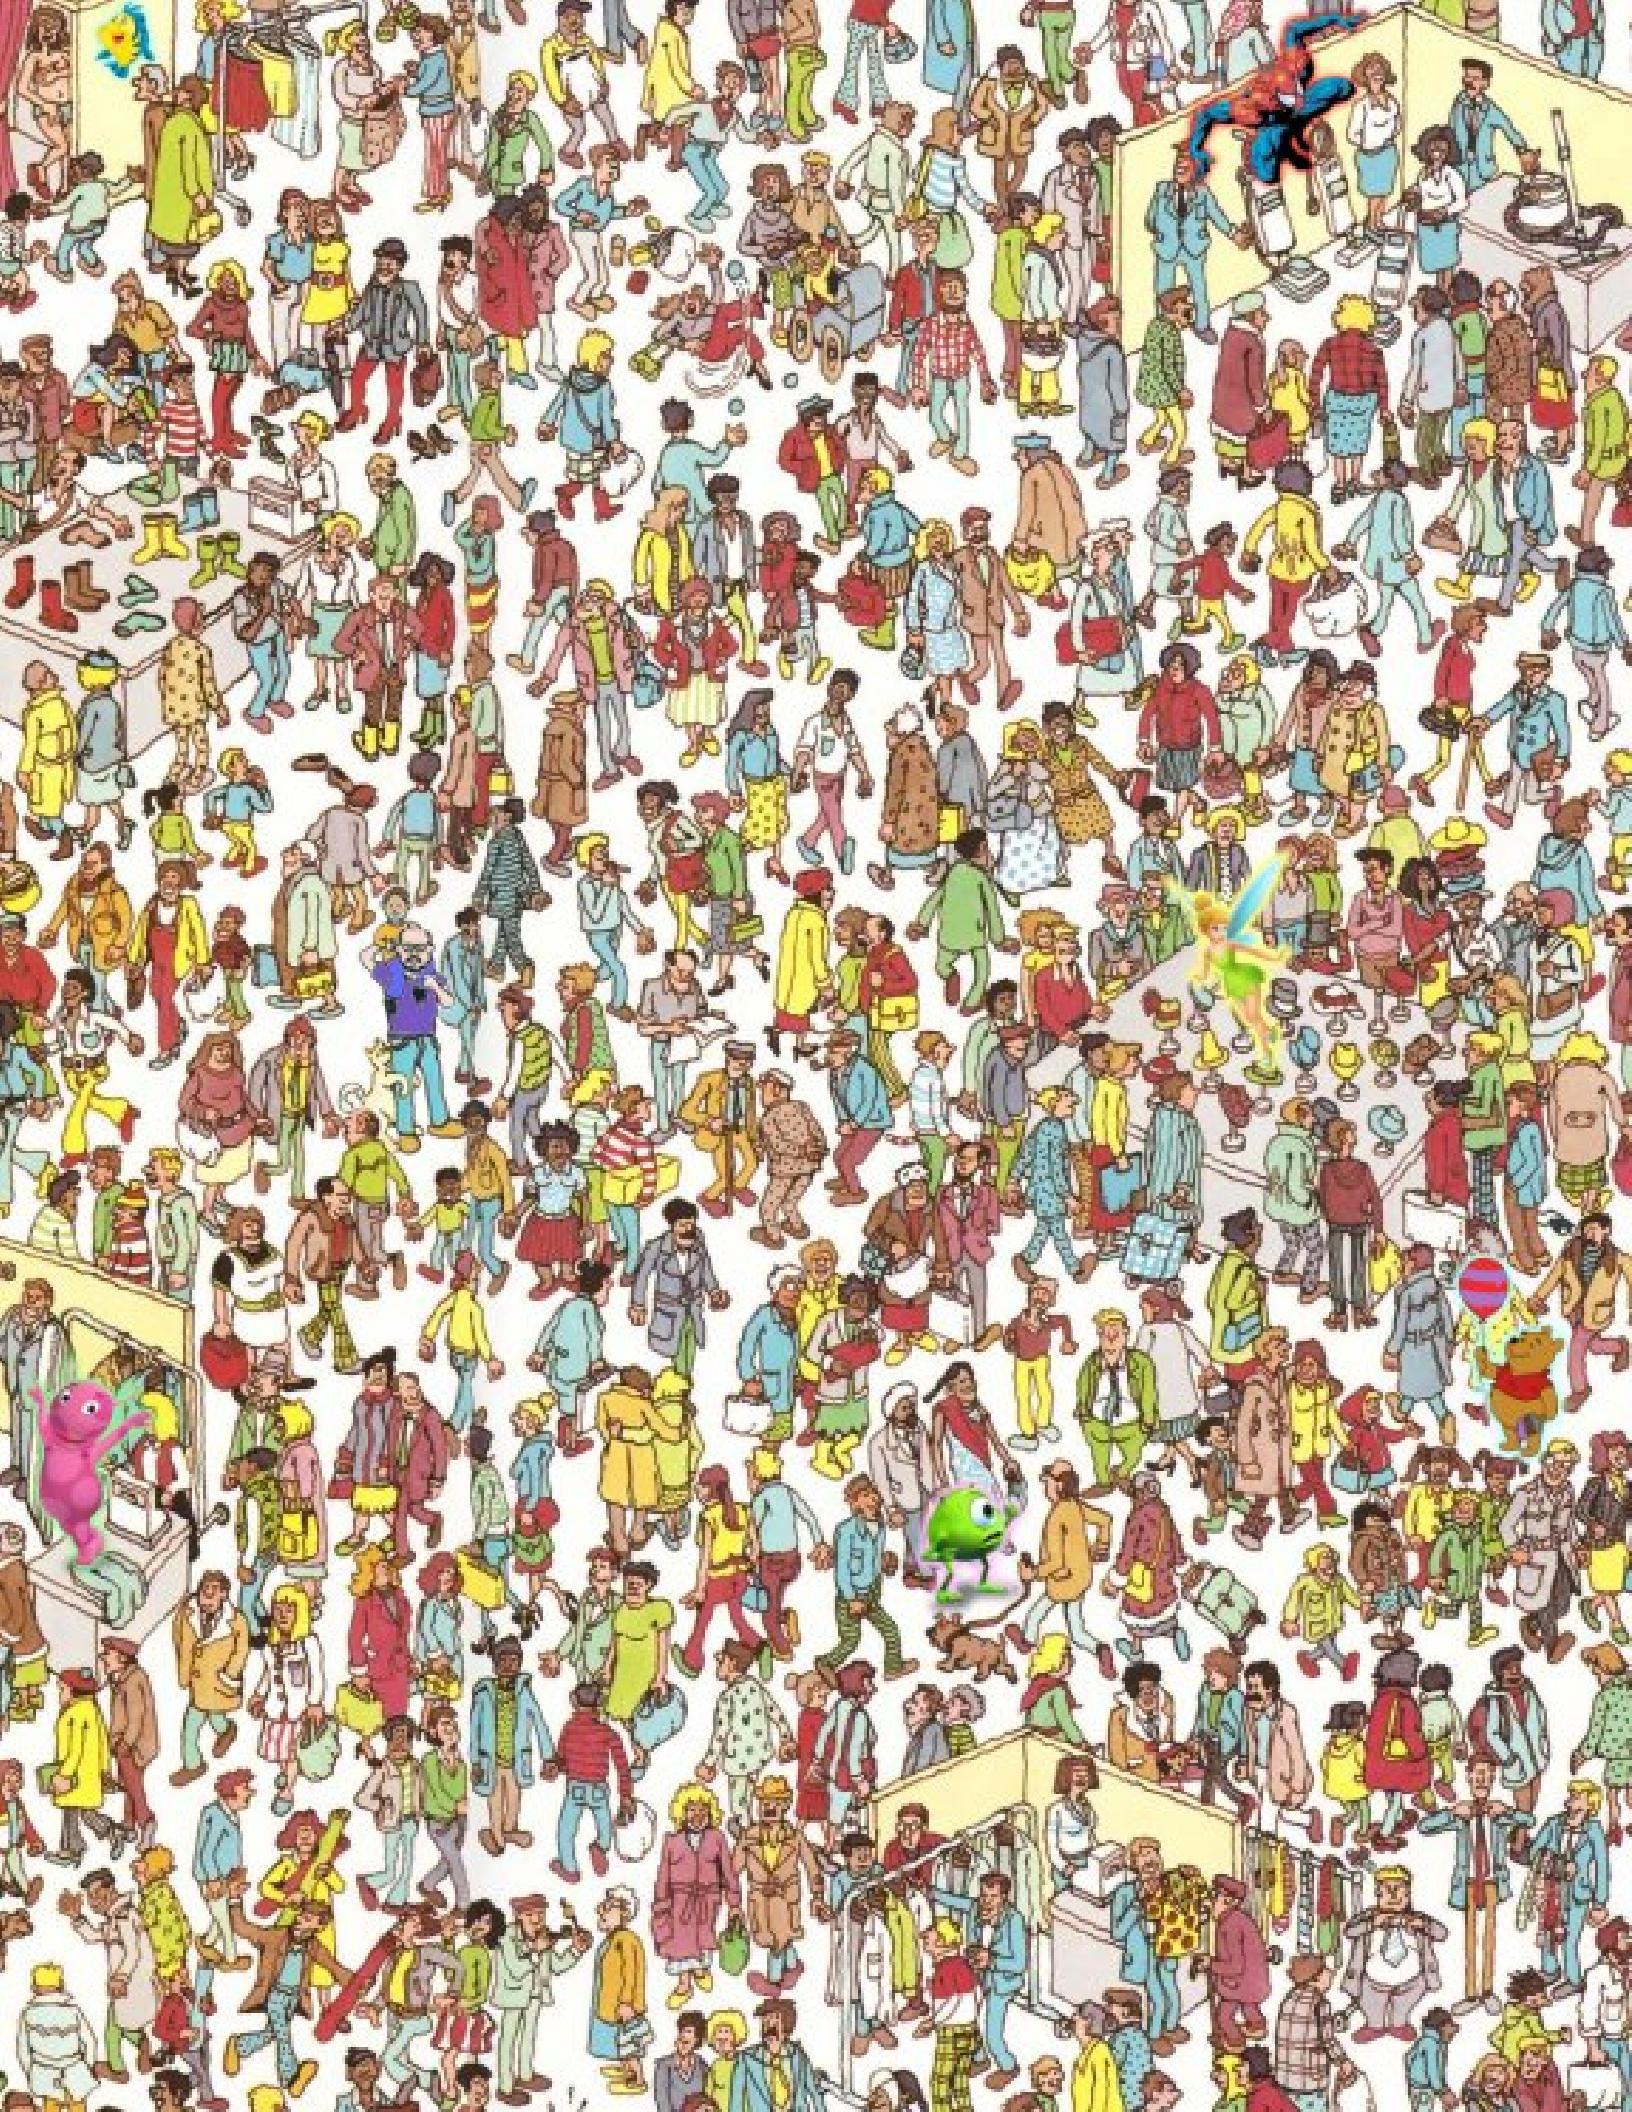

But where was Poppa?

Can YOU find him???

Can you find anyone else???

Well... of course Reed found Poppa...

... and both of them couldn't wait to see what their next adventure would be!
